**[Sec. 4(1)(b)(iii) of the Act.]**

**PROCEDURE FOLLOWED IN DECISION  
MAKING PROCESS**

All the Departments of Secretariat follow the same procedure in the process of decision making. The procedure to be followed in this regard is set out in detail in the Secretariat Office Manual and the Business Rules and Secretariat Instructions. Further, the process of decision making requires the participation of many officials – from ASO to Ministers including Chief Minister and the Governor at a few instances – depending on the nature of the issue involved. The procedure is elucidated in the following paragraphs.

The tappal / letter is opened in the presence of the Section Officer in-charge of the tappal section, sorted out section-wise., numbered and sent to the Under Secretaries concerned. The tappals are then stamped with the date of its receipt. Envelopes addressed to officers by name and those marked 'Secret' or 'Strictly Confidential' or Confidential' are opened by the Officers to whom they are addressed in the absence of the Officer concerned on leave or otherwise , such envelopes as are marked immediate is opened by an officers of equal or immediately lower rank in the department but now below the rank of Deputy Secretary to Government. Important communications are sent by the Under Secretary to the Secretary or to the Deputy Secretary as the case may be for perusal. After perusal by the officers (who enter on them any instruction they wish to give), the papers are sorted by the Assistant Section Officers / Assistants in charge of tappals, numbered (if it has not already been numbered) and sent to the respective Section Officers. The papers are then registered in his Personal Register by the subject Assistant Section Officer attached to the section. In case the subject Assistant Section Officer is away dhe Assistant, registers the currents.

If any paper relates to an unclosed case, the Assistant Section Officer adds the paper to the current or note file of the case, Otherwise, he puts each paper, in an appropriate pad and the paper thus becomes a 'Case'. He then obtains previous papers, if any, in the secretariat, referred to in the current or note file and, unless the case is taken over by the Section Officer, takes the necessary further action. Such action may be obtaining of further previous papers or precedents, the preparation of precis, the writing of a brief note stating the points for orders and, the drafting of an order, endorsement etc., in accordance with an established precedent. The Section Officer after making

any revision of, or addition to, the Assistant Section Officer's note or draft or putting up a fresh one, submits the case to the secretary or Deputy Secretary or Under Secretary. The Section Officer shall himself attend to important cases which involve interpretation of Acts and Rules, preparation of notes for Public Accounts Committee etc. When submitting a case for orders, the note may suggest references for further information or remarks to other Departments of the Secretariat or to outside officers but should not suggest the orders to be passed except in simple cases and in cases where there are precedents, he may however, submit a draft answer to a Legislative Assembly question relating to facts and not to the opinion or policy of Government. The Officers to whom the case submitted should direct further action to be taken or suggest clearly the nature of the disposal to be made or the orders to be passed in each case and it is the Secretary or Deputy secretary or Deputy Secretary who decides whether any Minister or the Governor should see the case at that stage. Specific orders of the Chief Minister should be taken if any case requires discussion at a meeting of the Council of Ministers with reference to the provisions of the Business Rules. The case is circulated, if so directed, and on return is submitted to the Secretary or Deputy Secretary for perusal. It is then sent to the Section Officer, being seen first by the Under Secretary if it belongs to a section under him. the section Officer passes it on with instructions to his Assistant Section Officers or keeps it himself for further action, if necessary, If further information is called for from the secretariat in the notes of Officers or of Ministers or the Governor this process is repeated, until final orders are passed. If a case in which a draft has been put up and circulated to the Ministers or the Governor and is received back with final orders, the draft will be issued with such modifications as may be necessary with reference to the final orders. If however, the case in circulation did not contain a draft and is received back with final orders, a draft is prepared in ordinary cases by the Assistant Section Officer and the file is resubmitted through Section Officer to Under secretary, the Deputy Secretary or the Secretary, as the case may be, who revises or passes the draft, circulating it again if he thinks this desirable. Drafts in important cases and Drafts of letters to the Government of India are

prepared by the Under Secretary. The disposal as approved takes the form of an orders, letter, endorsement, telegram, demi-official or unofficial references or reply or 'lodged' paper. It is numbered and dated by the Assistant Section Officer of the Concerned section. In the case of order, letters, etc., to be indexed, the typist prepares a tabling slip. The Assistant Section Officer makes necessary entries in the Personal Register and closes the current in the register, if the disposal is final. In the case of intermediate references or orders calling for information, he enters the date of the first reminder in his reminder diary. He then passes on the draft and its enclosures (but not the whole file) to the typist concerned for making out fair copy/. Confidential papers are sealed in the section concerned and sent to the Central Despatch Branch for despatch, while the rest are despatched by the Central Despatch Branch, direct U.O. files to their departments are sent by the section concerned direct to the departments through Office Assistants.

Fair copies are signed by the Secretary, Additional or Joint or Deputy or Under Secretary or Section Officer. The Section Officers also attest copies or orders or proceedings of the government (excluding those intended for audit officers) endorsements and telegrams. Copies of communications which are confidential or secret in nature are, however authenticated by Under Secretaries. In the case of final disposals, the Assistant Section Officer concerned or the Assistant of the Section prepares dockets. Government orders which are received from other Departments of the Secretariat and are 'lodged' will not however be docketed. On the return of the drafts from the Central Despatch Branch after issue, the Section, Assistant Section Officer makes sure that the papers have been properly despatched puts the drafts back in the respective files, and when the case has been finally disposed of, sends them to the Central Record Branch under the orders of the Section Officer who satisfies himself that there is no further action to be taken and gives pass order in each case in writing which should be in red ink on the face of the docket sheet. Papers which do not carry a pass order will not be accepted by the Central record Branch. All references to which replies are due are kept intact in the section with the connected papers. Records are handed over to the Record-Clerk, posted for this purpose, after obtaining his

signature in the last column of the Personal Register. The Record Clerk should then send them to the Central record Branch. Final disposals are stitched up in the Central Record Branch and then put in their proper places in the bundles on the record racks or almirahs. The indexer collects at the end of every month the tabling slips of proceedings in the 'Manuscript series, 4 Decennium series, 3 Decennium series, 2 Decennium series and Decennium series" prepared by the Assistants and prepares monthly indexes for submission in print to the Secretary, Ministers and the Secretary to the Governor. From the monthly indexes, annual indexes are prepared and printed up. The indexer collects also at the end of every month the tabling slips of proceedings of routine series, prepares monthly indexes and gets them typed or roneoed for submission to officers and sections. Orders and letters in routine series are numbered in a separate register. These as also endorsements, etc. are indexed in some departments.

The Department, as part of the Government Secretariat, follows the procedure laid down in the Secretariat Office Manual and the Tamil Nadu Government Business Rules and Secretariat Instructions. Apart from this, the provisions in the Tamil Nadu Financial Code, Tamil Nadu State and Subordinate Service Rules and the Tamil Nadu Government Servants' Conduct Rules, 1973 are also followed wherever applicable.

The decisions are taken based on the merits of the issues, relative priorities and availability of funds etc. in accordance with the documented procedures / laid down procedures / defined criteria / rules detailed above. The process of examination is initiated by the Assistant Section Officers and passes through the Section Officer, Under Secretaries and Deputy Secretary/Joint Secretary/Special Secretary to the Secretary. If need be, other departments are consulted. In case of matters involving funds, Finance Department is invariably consulted. Wherever the Business Rules require circulation of files to the Minister or Chief Minister or Governor, orders are obtained in circulation.

If a reply is required to be made on any representations, the decisions are communicated to the petitioner.
